HOW TO DO MORE BUSINESS.

MANY AMERICANS have built up use of Trade-news items supplied by our CLIPPING BUREAU: Chinese merchants can do the same if they follow American methods.

We clip business news from more than 50,000 papers monthly, and send these items to you while there is good prospect of supplying what is needed and doing

We can send you news and clippings on any line of business, or any subject, and you will be able to know, IN TRUTH, just what American business methods are like, and where there are openings for Chinese merchandise

Suppose, for instance, you are a maker of Pottery: our Clipping Bureau might find in some paper an item saying that a big wholesale Pottery concern was being organized in a certain town :-- we, of course, would send you that business-news item, and give you a chance to do business with that firm.

We can do just the same in any, line of business, for there is always something being on that it might pay Chines merchants to know.

We can supply you with advertisements of all the great American merchants and manufacturers, so that you may assimilate their ideas and increase your business in unina the way wedo here.
